

SWISS HACKING CHALLENGE

BECOME ONE OF THE BEST HACKERS!

Participate in national and international Hacking Competitions!

The Swiss Hacking Challenge (SHC), is the annual National Hacking Championship of Switzerland. If you love to play Capture the Flag (CTF), love Hacking and Cyber Security, you are completely right here!

Important: **EVERYONE** can join the qualifiers for fun!
But to get further, the **Qualification Requirements** apply.

The SHC is the entry to these competitions:

- European Cyber Security Challenge (ECSC)
- International Cybersecurity Challenge (ICC)
- SwissSkills: Trade 54 Cyber Security
- WorldSkills: Trade 54 Cyber Security

Qualification Requirements:

- 15 - 25 years old
- Swiss Citizenship

Team /mnt/ain (m0un41n)

Team /mnt/ain (m0unt41n) or "Team Mountain" is the Swiss National Hacking Team.

SHC players join Team /mnt/ain in the training process.
Team /mnt/ain is competing all year along in online and on-site CTF events.

To join Team Mountain qualify for the finals!

Participate!

The qualification runs 2 months, from Friday Evening, 11.03.2022 to Sunday 08.05.2022 23:59.

To participate visit: <https://www.swiss-hacking-challenge.ch/>

About Us

Swiss Cyber Storm is a non profit organization running the annual **Swiss Hacking Challenge** and the annual **Swiss Cyber Storm Security Conference**.
